

## CERTIFICATION OF CONFORMITY WITH EUROPEAN DIRECTIVE

Order No. 1999064-4

---

The following product has been tested and is certificated by KETI according to applicable European safety standard referred below, and is under current production surveillance.

Manufacturer                    WOONYOUNG Co., LTD.  
                                      407-1, Kocheun-Dong, Euwang-City, Kyungki-Do, Korea

Product                         Switch Mode Power Supply  
Model/type                     WYSP-200S05B~600S48C(Series : 5,9,12,15,24,48VDC)  
                                      (Series Model : 200S Series, 300S Series, 600S Series)

Rating and principal  
characteristics                 AC85~132V/170~264V, DC5V(40A)~DC48V(12.5A), 50/60Hz

Standards applied             Safety std. : EN 61 558-1, EN 61 558-2-17  
                                      EMC std. : EN 55022, CISPR 24, EN 55103-2

Certification reference       HEA99064-4 & HEA99064E-4

It may therefore be presumed that said product is in conformity with the provisions of the following European Directives including the latest amendments.

- EC Low Voltage Directive 73/23/EEC
- EC EMC Directive 89/336/EEC

On this basis, the manufacturer(or the European authorized representative), may draw up an EC/EEA Declaration of Conformity and affix the CE-marking to each relevant product.

This documentation will be kept for at least 10 years, provided the conditions for the certification are fulfilled.

Date of issue 25 November 1999
